Student Computer Usage Policy

1.) Social networking internet sites, such as chat rooms, Facebook, Instant Messaging etc. are not to be accessed at any time.
2.) No computers are to be taken outside of classroom.
3.) Computers are not to be used during recess, lunchtime, or after school in the outside play area.
4.) Music is not to be played or listened to on the computer unless under teacher supervision.
5.) No games are to be played on the computers at anytime unless it is an educational game authorized by the teaching staff.
6.) Emails can be sent to your current teacher or yourself or as part of an email project at any given time with the direct supervision of your teacher. Parents will be notified of email projects sent outside of the school.
7.) The internet is not to be used for any purposes other than for research on work that is currently due for class or other educational purposes.
8.) Computers are not to be accessed during lecture or class time that doesn't require computer usage.
9.) Computers are not to be accessed during free time unless it is to play an educational game and is supervised.
10.)   Breaking any of these rules will result in an immediate disciplinary action.

All workstation computers are to be used for educational purposes only. Users are expected to be courteous to other users and not abuse this privilege by engaging in illegal or inappropriate activity (e.g. downloading pornography, participating in simulated or actual gambling, etc.)
